[English and Continental Breakfast every mornings]

Each day Olga's great team of local Chefs prepares Italian dishes by kneading bread and pizza dough by hand, in the best Italian tradition. Using healthy ingredients and baking in a wood-fired oven guarantee a high service quality and characterise Olga's as a unique business within Zambia!

Some History...

Olga's the Italian Corner is the final stage of an educational project for the most vulnerable youth of Livingstone. It opened in 2008 as a production unit in support of YCTC (Youth Community Training Centre). All Olga's profits go to YCTC which provides free training in catering, tailoring, plumbing, electrical, metal construction, computer studies and bricklaying.
